

# 5<sup>TH</sup> ANNUAL HARVEYS LAKE EARTH DAY CLEANUP

Bring Earth Week to an end on a positive note by participating in a neighborhood service project. Join the **Harveys Lake Environmental Advisory Council (EAC)** as we recruit local residents, students, scouts, and visitors in a community effort to collect litter around the lake. What a fun and rewarding way to celebrate Earth Day with your neighbors!

**Cleanup Area:** Harveys Lake Borough

*(Community-wide routes to be determined upon registration)*

**Meeting Location:** Harveys Lake Beach Club, Inc.

2048 Lakeside Drive (Pole 187)  
Harveys Lake, PA 18618

**Date:** April 24<sup>th</sup> (the Sunday following Earth Day)

**Time:** 1:00 pm

**Description:** After signing in, participants will gather for a brief introduction, instructions, and safety guidelines. Gloves, trash bags, and safety vests will be distributed. Volunteers will then break into groups, disperse to various locations around the lake, and conduct a litter cleanup (or take on a service project of their own). *Grotto Pizza* has once again agreed to issue coupons to crew members upon completion of our efforts. We really appreciate such generosity every year!!

- **Registration is required for this event.** To register, call: **570.814.9230**.
- The cleanup will be held **RAIN or SHINE**.
- All volunteers under age 18 must be accompanied by a responsible adult.
- Bring a friend...and spread the word!

*This event has been organized in cooperation with the **Great American Cleanup of PA**, which is part of a nationwide cleanup campaign involving government agencies, environmental/community groups, businesses, and individuals. All are invited to participate in this effort and we hope you can join us in doing our part to make a difference locally.
