FROM: Elizabeth M. DeNardi- Recycling Coordinator
Luzerne County Solid Waste Management Department

SUBJECT: **2008 FREE USED TIRE RECYCLING EVENTS**

The Luzerne County Commissioners, the Pennsylvania Department of Environmental Protection and the Luzerne County Solid Waste Management Department are conducting two separate tire recycling collection events during October 2008. The first collection will be conducted at the Butler Township Road Department on Saturday, October 4th, 2008, and the second at the Hanover Area Junior Senior High School, on Saturday, October 18th, 2008. Both events will be open from 9:00 AM until 3:00 PM. Tires eligible for collection include automobile, motorcycle, pick up truck and SUV. All tires **must** be removed from rims, free of liquids and heavy mud and cannot be cut.

We request that all municipalities pre-register. Please contact me at 1-800-821-7654 or email at beth@luzernecounty.org with any questions or concerns you may have or to pre-register.

The Solid Waste Management Department requests that each municipality wishing to participate, contact our office before 12:00 noon, September 26, 2008.

We look forward to working with you to continue preserving our environment by reducing the amount of illegally dumped tires.
